MASSAGE

RELAXATION

This is a gentle form of massage that uses long strokes, kneading, deep circular movements, vibration and tapping to help relax and energize you. Therapeutic massage has been practiced for centuries to reduce stress, relieve muscle tension and improve overall health. The Mayo Clinic website describes the many benefits.

TIPS FOR YOUR PRIVATE SESSION

- Please arrive a few minutes early and check in with the receptionist.
- This is your session. Please wear comfortable clothing.
- It's always a good idea to leave valuables and jewelry at home.
- You may disrobe to your comfort level; you will be laying on a massage table under covers.
- As professionals, we limit exposure of body areas to those requiring work.
